#### Form 990 - Explanation of Amended Return

Correction of Part 1 line 4; which should list 11.

#### Form 990, Part III, Line 4a - Program Service Accomplishments

San Diego Canyonlands (SDCL) is a nonprofit based in the City Heights community of San Diego. Since 2008, we have played a major role in restoring San Diego's canyons and creeks to their natural habitat. Through stewardship volunteer events and our habitat restoration field crew, we are dedicated to promoting, protecting, and restoring the San Diego canyons and creeks in perpetuity.

Outreach: Volunteer and outreach events started to return this fiscal year following the severe impacts of the COVID-19 global pandemic. The outreach program continued to prioritize educational opportunities and working with partners to further SDCL's mission. The Outreach team focused on designing and funding two workforce development programs over the course of the year. The ECO (Environmental Career Opportunities) Initiative is a hands-on, paid, environmental job training program designed to support people transitioning into the workforce. The Canyon Connections Internship Program works with students from Hoover High School in City Heights providing paid internships to build social equity in environmental careers through place-based, student-led projects, education, and mentorship in urban canyons. The Outreach team also hosts weekly volunteer events, bi-monthly interpretive nature hikes, and other educational events.

Restoration: SDCL continued to focus on building up the field teams during this fiscal year. There are now two crews that make up the field teams. The first crew is made up completely of members of the City Heights community and focuses on habitat restoration in canyons across the City of San Diego. The second crew conducts habitat-friendly brush management work in the canyons of the San Diego River

#### Form 990, Part VI, Line 11b - Form 990 Review Process

The Executive Director, Associate Director, and Board of Directors of San Diego Canyonlands review the Form 990 document.

#### Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

Each new board member is required to read and sign a written conflict of interest statement and statements are reviewed and signed annually. Policies are adopted to avoid improprieties.

#### Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO & Top Management

Please update to read: For the Executive Director (ED), an evaluation includes a form that outlines a set of responsibilities and a set of annual goals. The ED reports on progress toward these goals bi-monthly. The ED is evaluated on accomplishments toward the annual goals and handling of responsibilities each year. The satisfactory completion of assigned responsibilities is weighed when determining the annual salary of the ED, and includes interviews with the Board President and full Board of Directors. In general, ED salary increase is a cost-of-living percentage (2-3%) plus an additional increase based on performance, organizational financial capacity, and salary research for comparable roles.

#### Form 990, Part III, Line 4a - Program Service Accomplishments

San Diego Canyonlands (SDCL) is a nonprofit based in the City Heights community of San Diego. Since 2008, we have played a major role in restoring San Diego's canyons and creeks to their natural habitat. Through stewardship volunteer events and our habitat restoration field crew, we are dedicated to promoting, protecting, and restoring the San Diego canyons and creeks in perpetuity.

Outreach: Volunteer and outreach events started to return this fiscal year following the severe impacts of the COVID-19 global pandemic. The outreach program continued to prioritize educational opportunities and working with partners to further SDCL's mission. The Outreach team focused on designing and funding two workforce development programs over the course of the year. The ECO (Environmental Career Opportunities) Initiative is a hands-on, paid, environmental job training program designed to support people transitioning into the workforce. The Canyon Connections Internship Program works with students from Hoover High School in City Heights providing paid internships to build social equity in environmental careers through place-based, student-led projects, education, and mentorship in urban canyons. The Outreach team also hosts weekly volunteer events, bi-monthly interpretive nature hikes, and other educational events.

Restoration: SDCL continued to focus on building up the field teams during this fiscal year. There are now two crews that make up the field teams. The first crew is made up completely of members of the City Heights community and focuses on habitat restoration in canyons across the City of San Diego. The second crew conducts habitat-friendly brush management work in the canyons of the San Diego River

#### Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

Each new board member is required to read and sign a written conflict of interest statement and statements are reviewed and signed annually. Policies are adopted to avoid improprieties.

#### Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO & Top Management

Please update to read: For the Executive Director (ED), an evaluation includes a form that outlines a set of responsibilities and a set of annual goals. The ED reports on progress toward these goals bi-monthly. The ED is evaluated on accomplishments toward the annual goals and handling of responsibilities each year. The satisfactory completion of assigned responsibilities is weighed when determining the annual salary of the ED, and includes interviews with the Board President and full Board of Directors. In general, ED salary increase is a cost-of-living percentage (2-3%) plus an additional increase based on performance, organizational financial capacity, and salary research for comparable roles.
